Dear Michael:

The Tempe City Council will consider the America West Airlines' Corporate Headquarters Development Agreement at its regularly scheduled meetings of November 13, 1997. The meetings are scheduled as follows:

Issue Review Session	6:00 p.m.	City Council Chambers
Formal City Council Meeting	7:30 p.m.	City Council Chambers

America West would request that you attend these City Council sessions. It is important to have visible support present at the meeting, and if appropriate, "expressed" support for the Council's favorable consideration of the project. This opportunity may present itself during the meetings or at the "public comments" portion at the end of the formal City Council session.

Additionally, it would be constructive to contact individual council members prior to the meeting to express your support for the project and encourage their affirmative vote on the Development Agreement.

I will be glad to answer any questions you have regarding the projected council meeting. Please contact me at 693-5751 if you have any questions.

Thanks for all your previous support and assistance. The project is great for the Tempe community and all parties involved. We appreciate your efforts.

Sincerely,

C.A. Howlett
Vice President, Public Affairs
